

## **Vinci Partners Publishes Its First ESG Report**

May 20, 2022

RIO DE JANEIRO, Brazil, May 20, 2022 (GLOBE NEWSWIRE) -- Vinci Partners Investments Ltd. (NASDAQ: VINP) ("Vinci Partners", "we", "the Company", "us" or "our"), the controlling company of a leading alternative investment platform in Brazil, aligned with its continuous efforts towards governance's best practices, announced today the release of its annual Environmental, Social & Governance ("ESG") report.

This is the first ESG Report written by Vinci Partners, referring to the year 2021. The document was prepared based on Global Reporting Initiative (GRI) standards, in the Essential option, and follows the best practices of transparency, management and information disclosure to the market.

"Among the important actions on this issue, I highlight the establishment of the 'ESG Forum – Vinci's Invested Companies' to bring the agenda to the companies in our portfolio," said Sonia Consiglio, Director and ESG Committee President for Vinci Partners. "Personally, my acceptance to lead this agenda through the Board and the ESG Committee was very natural, as we share the same value and willingness to make a difference through influencing and interacting with our stakeholders."

Roberto Leuzinger, partner, CHRO and ESG Head for Vinci Partners, said, "While our business model and practices demonstrate alignment with the ESG agenda in our investment process, the historic return over the years proves that this dedication does not change our commitment to delivering consistent results linked to risk management."
